American Arab Chaldean Community Outreach Services

December 2, 2004

To Whom It May Concern:

The American Arab Community Outreach Services, Inc. has had the pleasure of working with Carter, Reddy and Associates, Inc. (CRA) for the past two years.

They have worked with us to provide services to the following:

- After school programs for English as a Second Language students needing services under the No Child Left Behind Act (Detroit Public Schools).
- Alternative Education (GED) programs for 16-20 year old students who need the extra attention to succeed.

In both of these cases, CRA has consistently operated over and above their contractual obligations. I highly recommend CRA to all who need exceptional services.

Sincerely,
