Dear Dr. Carter:

ASCD is pleased to acknowledge that your *Educational Leadership* article "Why Reciprocal Teaching?" has been selected for inclusion in the Facilitator's Guide for ASCD's comprehensive, video-based professional development program, "The Brain and Reading."

Congratulations on your important work and thank you for allowing us to distribute this information to the thousands of educators who will surely benefit from it.

With appreciation,

A handwritten signature in cursive script, reading "Marcia D'Arcangelo". The signature is written in black ink and is positioned above the typed name and title.
