Southfield, Mi. 48075

May 1, 2007

Dear Mr. Reddy,

Thank you so much for offering your services to our school this year. I have observed improvements ranging from 10 to 40 percent for the students involved in the program. I have also noticed an improvement in the student's self-confidence as their skill level has increased. I look forward to implementing this program next year. I am confident this program will help raise our standardized testing scores.

Patricia Huff
Math Teacher
Brookhaven Middle School.
