Dear Mr. Reddy,

We are pleased to tell you thank for the outstanding services rendered by Carter Reddy and Associates. Our students that were enrolled in the program have had great improvements in their grades and scores have risen 10 to 40 percent.

We believe that through your support, our students achievement scores will be at an all time high. This program has made a positive impact on the lives of the children and boosted self-esteem. We look forward to working with this program next year.
