Dear Dr. Carter:

Thanks for providing such a necessary Education Tutorial Service to At-Risk, as well as mainstream Youth, residing within the catchment area of Wayne County Family Independence Agency's Dexter Elmhurst Community Services Center.

Your Educational Tutorial Services Program has been reviewed, not only by my Management Staff, but many of our On/Off Site Partners. Needless to say, we are very satisfied with the contents of your Program, as well as your Tutorial monitoring, follow-up procedures.

Wayne County Family Independence Agency's Dexter Elmhurst Community Services Center's Staff, our On/Off Site Parents, Grandparents, and particularly At-Risk and mainstream Youth, are truly being served by your demonstrated Educational Tutorial Services in this community.

We look forward to continuing this invaluable Partnership with Carter, Reddy & Associates, Inc.

Sincerely

W. Wimbush, Director 313-8344560 Fax # 313-8344372
