To Whom It May Concern:

During the winter of FY2005-2006 Rosenwald Elementary, a Title I school in Palm Beach County School District was fortunate that most of our parents chose Carter, Reddy & Associates Inc. as their Supplemental Education Services (SES) provider. As a provider for SES, Carter, Reddy & Associates in-serviced participating teachers (tutors) to use Reciprocal Teaching strategies, and provided methods for both teachers and students. Many of our regular classroom teachers participated as after school tutors.

While we in Palm Beach County received great support from our school district, we are convinced that our involvement with Carter, Reddy & Associates and Reciprocal Teaching greatly enhanced our student 2006 FCAT performance. Should you have any questions, please feel free to contact Estella Pyfrom as our SES contact and Guidance Counselor at (561) 993-9419.

Thank you in advance for your consideration.

Sincerely,

Estella M. Pyfrom
